**Congratulations**

**Organising Committee of “Actions of the Little Handkerchief”**

**Dalian City, China**

I would like to extend my warm congratulations to you on the start of the “Little Handkerchief, Big Actions” program series in Dalian, China on International Environmental Day on 5 June 2014. Unfortunately, I will not be able to attend this event as we are busily preparing the inaugural Queensland Investment Expo in Logan City on 18<sup>TH</sup> and 19<sup>th</sup> June 2014. On behalf of Logan City Council, I wish you a successful event and offer my best wishes to all the volunteers involved.

Protecting the environment is so important – we all share this world and it is everyone’s responsibility to make it a better place. We support your initiative to promote waste reduction and we also appreciate the opportunity we have to exchange ideas and share our experiences with Chinese friends in environmental science and technology, and also sharing best practices as a global citizen.

Finally, I am sending this message with Madam Jie Cheng, Chairman of Australian China Chamber of CEO, the supporting partner of the 2014 Queensland Investment Expo, and wish to extend an invitation to the officials and business representatives in Dalian to join us at the Expo.

I look forward to welcoming you to Logan City!
